

Acme Corporation - General FAQ & Policies

1. Contact Information

For general support, you can reach our customer service desk at support@acme.example.com or call us toll-free at +1-800-555-0199. Our global support team is dedicated to responding to all queries within 24 hours.

Head Office Address: Acme Corp, 123 Innovation Way, Tech District, Suite 500, San Francisco, CA 94107.

Hours of Operation: Our team is available Monday through Friday, 9:00 AM to 6:00 PM Eastern Standard Time (EST). We are closed on major national holidays.

2. Shipping & Delivery Policies

Domestic Shipping: Standard shipping takes 3-5 business days. Express shipping guarantees delivery in 1-2 business days. Shipping costs are calculated based on weight and destination at checkout.

International Shipping: We ship to over 100 countries. Standard international delivery takes 7-14 business days, depending on customs clearance. Duties and taxes are the responsibility of the recipient.

Order Tracking: Once your order ships, an automated shipping confirmation email containing a tracking number and a link to the courier page will be sent to your registered email.

3. General Warranty & Policies

Warranty Period: All Acme hardware products are covered by a 1-year limited warranty starting from the original date of purchase. This warranty covers manufacturing defects in materials and workmanship under normal use.

Warranty Exclusions: The warranty does not cover accidental damage, liquid exposure, unauthorized repairs or modification, normal wear and tear, or software issues.

Submitting a Claim: To submit a warranty claim, contact our support team with your original proof of purchase and a brief description of the hardware issue. Our engineers will diagnose the product and arrange for repair or replacement.

4. Company History & Mission

Mission Statement: Our mission is to accelerate business productivity by building integrated, AI-driven software and hardware solutions designed for modern enterprise workflows.

About the Company: Founded in 2021, Acme Corporation has grown from a small silicon startup to a leading supplier of electronics and enterprise collaboration tools, serving over 10,000 corporate clients globally.
